## Dear Friends,

During times of crisis, and especially forced isolation, incidents of domestic violence often rise and violence may escalate. Therefore, our helpline is still available **24/7** at **099-88-78-08**. Our two safe houses remain open. All of our counseling and advocacy services will continue through remote options. Our office will be closed but services will continue remotely.

We are restricting visitors and volunteers from coming onsite and are not accepting donated goods at this time. For the safety of the community, our events and training programs through March and April have been postponed.

We are working closely with our partners and government and will adjust services and update the community accordingly as this situation evolves. Our staff continues to serve the victims at high risk to their health as at times we 07.04.2020 \*|MC:SUBJECT|\*

have to visit hospitals, police stations or interact with persons who have not been tested.

Please help defray our rising and unanticipated costs, due to the pandemic. Your support and financial donations are needed even more during this time. Please make your tax-deductible checks to Tufenkian Foundation *20 Capitol Drive, Moonachie, NJ 07074* indicate in the Memo: **WSC** 

Thank you for your support and partnership and we wish you and your family continued good health.

With gratitude,

Maro Matosian
